

Stop/Slow Paddles

Roadside workers require a safe environment and driver's need direction in work zones. Stop/Slow Paddles assist in directing traffic in and around work zones. Korman Signs has a variety of hand held Stop/Slow paddle combinations to

keep your work zone safe and meet all MUTCD specifications. The Manual on Uniform Traffic Control Devices (MUTCD) suggests that a Stop/Slow Paddle should be the primary hand-signaling device in a work zone (Section GE.03).

7 ft. Galvanized Metal Mast - 2 piece

SSP-24HDABS
2-Piece Plastic Mast with quick release snap lock button

Our stop/slow signs are made with 3M™ reflective materials and applied to both sides of an aluminum, ABS or ALPOLIC® octagon blank. Stop/Slow signs are available in 18" x 18" or 24" x 24" with a variety of mast options to support your sign. Metal and PVC masts come in 2 detachable pieces for easy storage; metal

masts come in a 1-piece option as well. We also offer a fiberglass/aluminum telescoping mast that allows for easy storage without 2 separate pieces. In addition to the rigid Stop/Slow Paddles we offer a portable version which includes a roll-up stop/slow sign and a 3-piece mast. All masts come with a non-skid rubber cap.

Part #	Description	Mast
SSP-24SA	24" with Engineer Grade Sheeting on Aluminum and 1"x1"x7' metal mast	1-piece
SSP-24HA	24" with Hi-Intensity Prismatic Grade Sheeting on Aluminum and 1"x1"x7' metal mast	
SSP-24HDA	24" with Hi-Intensity Prismatic/Diamond Grade on Aluminum and 1"x1"x7' metal mast	
SSP-24HDA2PC	24" with Hi-Intensity Prismatic/Diamond Grade on Aluminum and 1"x1"x7' metal mast	2-piece
SSP-24SABS	24" with Engineer Grade Sheeting on ABS and 7 ft. PVC mast	2-piece
SSP-24HABS	24" with Hi-Intensity Prismatic Grade Sheeting on ABS and 7 ft. PVC mast	
SSP-24HDABS	24" with Hi-Intensity Prismatic/Diamond Grade Sheeting on ABS and 7 ft. PVC mast	
SSP-24HDABST	24" with Hi-Intensity Prismatic/Diamond Grade Sheeting on ABS and a fiberglass/aluminum telescoping mast - stores at a height of 6'3" and adjusts to 9'5" tall	1-piece telescoping
SSP-24DF	24" Diamond Grade Roll-Up and 3-piece mast with reinforcing vinyl storage bag	3-piece
